CONCERT AND ASSEMBLY ROOMS,

OPPOSITE THE CITY HALL,

COURT-STREET, IN THE CITY OF BROOKLYN.

D. H. HAINES, Lessee of the above spacious and magnificent rooms, (the largest and most elegantly finished in the State of New-York,) respectfully begs to apprise the public that he is prepared to make arrangements with Managers of Balls, Concerts, Lectures, &c., for the use of his establishment, on reasonable terms. From the unique and admirable manner in which the rooms are fitted up—their central and eligible location—their ease of access, and the appliances and conveniences with which they are furnished, the proprietor hesitates not to assert without fear of contradiction, that there is no edifice extant, in any portion of the United States, that is more desirable than this, for the purposes mentioned.

The BALL, SUPPER, and ANTE-ROOMS are now brilliantly illuminated with gas, and present a more brilliant appearance than ever.

Military, Civic and Fire Companies, Masonic and Odd Fellows' Associations, Clubs and Parties and Organizations of every description, will here find all the accommodations they may require, including facilities for Supper, Dinner, or incidental Refreshments.

☞ The Restaurant is constantly supplied with the choicest delicacies the market affords.

Atlantic-st. **Atlantic-st.**

Continues his business at the

OLD STAND.

Grateful for the patronage bestowed upon him, he still hopes to give entire satisfaction to all who may be necessitated to call for his services. His long experience, and extraordinary facilities for the prompt and efficient despatch of this business, together with a determination to make his *charges but reasonable*, he hopes will command the attention of his numerous friends.

JAMES PIGOT,

PRACTICAL UPHOLSTERER,

No. 5 Nassau, 2 doors from Fulton-St.,

Returns thanks to the inhabitants of

BROOKLYN

and its vicinity, for the very liberal patronage bestowed on him for the last year, and hopes by avoiding misrepresentation and strict attention to business, to merit a continuation of their favors.

He respectfully invites the public to examine his newly invented

"SPRING PALLIASTER,"

for under beds, which is now acknowledged by all the practical Upholsterers and Cabinet Makers in Brooklyn and New-York to be the most perfect piece of bedding ever invented, combining lightness with durability, weighing only thirty to forty pounds; they are fastened and laced in the centre by METALLIC CEILETS. When the slats in the bedstead want brushing, they can be folded one on the other like a hinge. To the hundreds who have used them they have given unanimously entire satisfaction. Persons about furnishing bedding would do well to visit his manufactory before purchasing any other mattrass.

J. P. can also furnish Hair Mattrasses, Feather Beds, or any other article in the Upholstering department.

THE
BROOKLYN STREET DIRECTORY,
OR,
GUIDE FOR 1854 & 1855.

(Corrected May 1st, 1854.)

Showing the commencement, position, and termination of each street, with the junctions and crossings of the intersecting streets, also the number of the house at the corner of each of the streets.

Where there is no house on the corner, or where the corner house fronts on the crossing street, the number of the house nearest the corner is given. It must be observed that in a considerable portion of the streets, the houses are entirely unnumbered. In those streets the Alphabetical Directory directs you to which of the crossing streets the house you are looking for is nearest situated.

For the information of strangers, it may be necessary to add, that the odd numbers are invariably on the left hand from the commencement of each street.
